

# Master Grazer 2009

4 Sessions  
5:00 - 9:00pm  
Starting March 12, 2009

\$50 Registration Fee

RSVP BY February 27

To Your Extension Office  
to reserve your spot

## Dates Locations Topics

<b>March 12</b>	Logan County Plant Factors
<b>April 9</b>	Simpson County Animal Factors
<b>April 23</b>	Allen County Demo Farm Field Day
<b>April 30</b>	Warren County Farm Layout

Graduates will have the knowledge and skills to evaluate their operations and decide how they would like to improve their forage grazing systems relative to the five areas identified as:

- ▶ Rotational grazing and stockpiling of forages
- ▶ Water quality and water systems in each paddock
- ▶ Temporary electric fence to increase efficiency of forage resources
- ▶ Pasture renovation with legumes to improve quality
- ▶ Improved management practices, i.e. feed better mineral, control parasites, forage variety selection, weed control
